

Academic Promotions 2018/19

Effective from Monday 1 August 2019

Promotions to Professor (50)

Dr M Oergel-Dench, School of Cultures, Languages & Area Studies (Modern Languages & Cultures) – Professor of German and Comparative Cultural Studies

Dr J Ridon, School of Cultures, Languages & Area Studies (Modern Languages & Cultures) – Professor of French and Francophone Studies

Dr K Conklin, School of English – Professor of Psycholinguistics

Dr M ní Fhlathúin, School of English – Professor of English Literature

Dr J Robinson, School of English – Professor of Drama and Performance

Dr N Royan, School of English – Professor of Older Scots Literature

Dr R Balzaretti, School of Humanities (History) – Professor of Italian History

Dr A Fisher, School of Humanities (Philosophy) – Professor of Philosophy

Dr A Milbank, School of Humanities (Theology) – Professor of Theology and Literature

Dr R Bingley, Department of Civil Engineering – Professor of Geodetic Surveying

Dr X Meng, Department of Civil Engineering – Professor of Intelligent Mobility

Dr M Galea, Department of Electrical & Electronic Engineering – Professor of Electrical Machines and Drives

Dr M Loose, School of Life Sciences – Professor of Developmental & Computational Biology

Dr A MacColl, School of Life Sciences – Professor of Evolutionary Ecology

Dr J Woolard, School of Life Sciences – Professor of Cardiovascular Physiology & Pharmacology

Dr R Dineen, School of Medicine (Clinical Neuroscience) – Professor of Neuroradiology

Dr K Edwards, School of Medicine (Rheumatology, Orthopaedics & Dermatology) – Professor of Sport, Exercise and Nutrition Education

Dr A Gordon, School of Medicine (Medical Science & Graduate Entry Medicine) – Professor of the Care of Older People

Dr P Hagan, School of Medicine (Medical Science & Graduate Entry Medicine) – Professor of Medical Education

Dr C Merry, School of Medicine (Cancer & Stem Cells) – Professor of Stem Cell Glycobiology

Dr S O'Sullivan, School of Medicine (Medical Science & Graduate Entry Medicine) – Professor of Pharmacology

Dr K Gough, School of Veterinary Medicine & Science – Professor of Biochemistry and Pathology

Dr R Alberio, School of Biosciences (Animal Sciences) – Professor of Developmental Biology

Dr J Brameld, School of Biosciences (Food, Nutrition & Dietetics) – Professor of Nutritional Biochemistry

Dr J King, School of Biosciences (Plant & Crop Sciences) – Professor of Cereal Genetics

Dr E Murchie, School of Biosciences (Plant & Crop Sciences) – Professor of Applied Plant Physiology

Dr D Kays, School of Chemistry – Professor of Inorganic Chemistry

Dr F Paradisi, School of Chemistry – Professor of Biocatalysis

Dr D Landa Silva, School of Computer Science – Professor of Computational Optimisation

Dr C Wagner, School of Computer Science – Professor of Computer Science

Dr G Mirams, School of Mathematical Sciences – Professor of Mathematical Physiology

Dr J Aylott, School of Pharmacy – Professor of Analytical Science

Dr S Stolnik-Trenkic, School of Pharmacy – Professor of Pharmaceutics

Dr A Armour, School of Physics & Astronomy – Professor of Physics

Dr M Brookes, School of Physics & Astronomy – Professor of Physics

Dr J Gathergood, School of Economics – Professor of Economics

Dr M Montero, School of Economics – Professor of Economics

Dr A Townsend, School of Education – Professor of Education

Dr D Boyd, School of Geography – Professor of Earth Observation

Dr S Gosling, School of Geography – Professor of Climate Risks and Environmental Modelling

Dr S Jewitt, School of Geography – Professor of Human Geography and Development

Dr G Swann, School of Geography – Professor of Palaeoclimatology

Dr R Hyde, School of Law – Professor of Law, Regulation and Governance

Dr A La Chimia, School of Law – Professor of Law and Development

Dr T Chesney, Nottingham University Business School – Professor of Computational Social Science

Dr S McKechnie, Nottingham University Business School – Professor of Marketing

Dr J Rickly, Nottingham University Business School – Professor of Tourism

Dr A Burns, School of Politics & International Relations – Professor of Political Theory

Dr R Cormac, School of Politics & International Relations – Professor of International Relations

Dr D Gill, School of Politics & International Relations – Professor of International Relations

Promotions to Associate Professor (61)

Dr H Bao, School of Cultures, Languages & Area Studies (Cultural, Media and Visual Studies)

Dr R Maxey, School of Cultures, Languages & Area Studies (American & Canadian Studies)

Dr P Mevel, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr K Salt, School of Cultures, Languages & Area Studies (American & Canadian Studies)

Dr J Thon, School of Cultures, Languages & Area Studies (Cultural, Media and Visual Studies)

Dr M White, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr P Cavill, School of English

Dr L Jones, School of English

Dr M Jones, School of English

Dr N Thomas, School of Humanities (History)

Dr B Jones, Department of Architecture & Built Environment

Dr Q Wang, Department of Architecture & Built Environment

Dr E Binner, Department of Chemical & Environmental Engineering

Dr R Remenyte-Prescott, Department of Civil Engineering

Dr S Bull, Department of Electrical & Electronic Engineering

Dr P Evans, Department of Electrical & Electronic Engineering

Dr K Webb, Department of Electrical & Electronic Engineering

Dr T Yang, Department of Electrical & Electronic Engineering

Dr C Bennett, Department of Mechanical, Materials & Manufacturing Engineering

Dr R Houghton, Department of Mechanical, Materials & Manufacturing Engineering

Dr S Lawes, Department of Mechanical, Materials & Manufacturing Engineering

Dr B Ryan, Department of Mechanical, Materials & Manufacturing Engineering

C Bousfield, School of Health Sciences (Nursing)

Dr P Hemingway, School of Health Sciences (Nursing)

Dr L Fairclough, School of Life Sciences

Dr S Loughna, School of Life Sciences

Dr T Majerus, School of Life Sciences

Dr B Phillips, School of Medicine (Medical Science & Graduate Entry Medicine)

Dr M Tavakol, School of Medicine (Education Centre)

Dr R Tarlinton, School of Veterinary Medicine & Science

Dr L Yon, School of Veterinary Medicine & Science

Dr L Band, Schools of Biosciences (Plant & Crop Sciences) and Mathematical Sciences

Dr E Bailey, School of Biosciences (Agricultural & Environmental Sciences)

Dr L Johnson, School of Chemistry

Dr A Teale, School of Chemistry

Dr J Fischer, School of Computer Science

Dr M Wilson, School of Computer Science

Dr K Bharath, School of Mathematical Sciences

Dr C Brignell, School of Mathematical Sciences

Dr R O'Dea, School of Mathematical Sciences

Dr M Scase, School of Mathematical Sciences

Dr P Gershkovich, School of Pharmacy

Dr F Rawson, School of Pharmacy

Dr S Bamford, School of Physics & Astronomy

Dr J Bolton, School of Physics & Astronomy

Dr N Hatch, School of Physics & Astronomy

Dr O Makarovskiy, School of Physics & Astronomy

M Biddulph, School of Education

Dr J Evison, School of Education

Dr S Jones, School of Education

P Sorensen, School of Education

Dr J Thondhlana, School of Education

Dr M Johnson, School of Geography

Dr A Tosato, School of Law

Dr C Braziotis, Nottingham University Business School

Dr A Crompton, Nottingham University Business School

Dr A Touboulic, Nottingham University Business School

Dr A Trautrim, Nottingham University Business School

Dr C Spary, School of Politics & International Relations

Dr K Clamp, School of Sociology & Social Policy

R Clawson, School of Sociology & Social Policy

Promotions to Principal Research Fellow (4)

Dr L De Lillo, Faculty of Engineering

Dr D Wells, School of Biosciences (Plant & Crop Sciences)

Dr G Tzimiropoulos, School of Computer Science

Dr A Schenkel, School of Mathematical Sciences

Promotion to Assistant Professor (33)

Dr E Brasil, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr E Guevara, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr A Simcock, School of Cultures, Languages & Area Studies (Cultural, Media and Visual Studies)

Dr S Holland, School of Humanities (History)

Dr J Kisolo-Ssonko, School of Humanities (Philosophy)

Dr A Rich-Abad, School of Humanities (History)

R Howe, Department of Foundation Engineering & Physical Sciences

Dr R Moore, Department of Foundation Engineering & Physical Sciences

A Machin, Department of Mechanical, Materials & Manufacturing Engineering

R Bacon, School of Health Sciences (Nursing)

H Baker, School of Health Sciences (Nursing)

L Clarke, School of Health Sciences (Nursing)

L Holliday, School of Health Sciences (Nursing)

E O'Brien, School of Health Sciences (Nursing)
H Reddy, School of Health Sciences (Nursing)
R Reeves, School of Health Sciences (Nursing)
A Wain, School of Health Sciences (Midwifery)
Dr R Santra, School of Medicine (Medical Science & Graduate Entry Medicine)
Dr N Yang, School of Biosciences (Food, Nutrition & Dietetics)
Dr A Northcliffe, School of Chemistry
Dr P Tennent, School of Computer Science
Dr E Hall, School of Mathematical Sciences
Dr P Hawker, School of Physics & Astronomy
Dr K Bailey, School of Psychology
Dr E Birkett, School of Psychology
Dr S McDonald, School of Psychology
Dr J Al-Youssef, School of Education (CELE)
Dr X Gao, School of Education (CELE)
I Hawker, School of Education (CELE)
S Leigh, School of Education (CELE)
K Mundt, School of Education (CELE)
R Seredynska-Abou Eid, School of Education (CELE)
Dr C Freeman, School of Geography

Promotion to Senior Research Fellow (8)

Dr A Buttress, Faculty of Engineering
Dr P Giangrande, Faculty of Engineering
Dr R Patel, Faculty of Engineering
Dr P McClure, School of Life Sciences
Dr A Hunter, School of Medicine (Epidemiology & Public Health)
Dr A John, School of Medicine (Respiratory Medicine)
Dr Y Vinogradova, School of Medicine (Primary Care)
Dr D Lee, School of Politics & International Relations
