

Research & Teaching Promotions 2019/20

Effective from 1 August 2020

Promotions to Professor

Dr J Lane, School of Cultures, Languages & Area Studies (Modern Languages & Cultures) – Professor of French & Critical Theory

Dr V Miller, School of Cultures, Languages & Area Studies (American & Canadian Studies) – Professor of American History

Dr S Roberts, School of Cultures, Languages & Area Studies (Modern Languages & Cultures) – Professor of Modern Spanish Literature and Intellectual History

Dr R Wilson, School of Cultures, Languages & Area Studies – Professor of History

Dr W Bowden, School of Humanities (Classics & Archaeology) – Professor of Roman Archaeology

Dr M Bradley, School of Humanities (Classics & Archaeology) – Professor of Classics

Dr M Jago, School of Humanities (Philosophy) – Professor of Philosophy

Dr C Woodard, School of Humanities (Philosophy) – Professor of Moral and Political Philosophy

Dr L Taranto Rodrigues, Department of Architecture and Built Environment – Professor of Sustainable and Resilient Cities

Dr Y Wu, Department of Architecture and Built Environment – Professor of Building Physics

Dr C Dodds, Department of Chemical & Environmental Engineering – Professor of Process Engineering

Dr R Gomes, Department of Chemical & Environmental Engineering – Professor of Water & Resource Processing

Dr D Large, Department of Chemical & Environmental Engineering – Abbott Professor of Geoscience

Dr A Vukovic, Department of Electrical & Electronic Engineering – Professor of Electromagnetic Applications

Dr C Eastwick, Department of Mechanical, Materials & Manufacturing Engineering – Professor of Mechanical Engineering

Dr R Goodridge, Department of Mechanical, Materials & Manufacturing Engineering – Professor of Additive Manufacturing

Dr A Aubeeluck, School of Health Sciences (Nursing) – Professor of Health Psychology Education

Dr R Windle, School of Health Sciences (Nursing) – Professor of Digital Learning

Dr S Goodacre, School of Life Sciences – Professor of Evolutionary Biology and Genetics

Dr K Tsintzas, School of Life Sciences – Professor of Human Physiology

Dr A Abhishek, School of Medicine (Rheumatology, Orthopaedics & Dermatology) – Professor of Rheumatology

Dr N Guha, School of Medicine (Nottingham Digestive Diseases Centre) – Professor of Hepatology

Dr L Marciani, School of Medicine (Nottingham Digestive Diseases Centre) – Professor of Gastrointestinal Imaging

Dr R Murray, School of Medicine (Epidemiology & Public Health) – Professor of Population Health

Dr G Naylor, School of Medicine (Clinical Neuroscience) – Professor of Hearing Sciences

Dr B Ollivere, School of Medicine (Rheumatology, Orthopaedics & Dermatology) – Professor of Orthopaedic Trauma

Dr N Selby, School of Medicine (Medical Science & Graduate Entry Medicine) – Professor of Nephrology

Dr A Valdes, School of Medicine (Rheumatology, Orthopaedics & Dermatology) – Professor of Molecular and Genetic Epidemiology

Dr T Coffey, School of Veterinary Medicine & Science – Professor of Sustainable Livestock Production

Dr J Daly, School of Veterinary Medicine & Science – Professor of Viral Zoonoses

Dr J Kaler, School of Veterinary Medicine & Science – Professor of Epidemiology and Precision Livestock Informatics

Dr K Millar, School of Biosciences (Animal Sciences) – Professor of Applied Bioethics

Dr S Sjogersten, School of Biosciences (Agricultural & Environmental Sciences) – Professor of Environmental Science

Dr R Denton, School of Chemistry – Professor of Organic Chemistry

Dr M Valstar, School of Computer Science – Professor of Computer Science

Dr N Diamantis, School of Mathematical Sciences – Professor of Pure Mathematics

Dr M Hubbard, School of Mathematical Sciences – Professor of Computational and Applied Mathematics

Dr T Kypraios, School of Mathematical Sciences – Professor of Statistics

Dr A Vishik, School of Mathematical Sciences – Professor of Algebra

Dr S Weinfurter, School of Mathematical Sciences – Professor of Mathematical and Experimental Physics

Dr W Chan, School of Pharmacy – Professor of Chemical Biology

Dr M Stocks, School of Pharmacy – Professor of Medicinal Chemistry and Drug Discovery

Dr S Sonderegger, School of Economics – Professor of Economics

Dr M Oliver, School of Education – Professor of Science Education

Dr V Wedekind, School of Education – Professor of Education

Dr M Jones, School of Geography – Professor of Quaternary Science

Dr C Milazzo, School of Politics and International Relations – Professor of Politics

Dr A Mumford, School of Politics and International Relations – Professor of War Studies

Dr B Renz, School of Politics and International Relations – Professor of International Security

Dr S Dauncey, School of Sociology & Social Policy – Professor of Chinese Society and Disability

Promotions to Associate Professor

Dr J Birks, School of Cultures, Languages & Area Studies (Cultural, Media and Visual Studies)

Dr L Bradnock, School of Cultures, Languages & Area Studies (Cultural, Media and Visual Studies)

Dr K Shingler, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr C Collins, School of English

Dr C Gallou, School of Humanities (Classics & Archaeology)

Dr Z Hoskins, School of Humanities (Philosophy)

Dr E Kelly, School of Humanities (Music)

Dr P Watts, School of Humanities

Dr R Boukhanouf, Department of Architecture and Built Environment

Dr B Tokay, Department of Chemical & Environmental Engineering

Dr N Watson, Department of Chemical & Environmental Engineering

Dr A Garcia Hernandez, Department of Civil Engineering

Dr C Heron, Department of Civil Engineering

Dr M Degano, Department of Electrical & Electronic Engineering

Dr M Jabbal, Department of Mechanical, Materials & Manufacturing Engineering

Dr R Jefferson-Loveday, Department of Mechanical, Materials & Manufacturing Engineering

Dr C Diver, School of Health Sciences (Physiotherapy Education)

Dr S Konstantinidis, School of Health Sciences (Nursing)

Dr F Moffatt, School of Health Sciences (Physiotherapy Education)

Dr K Durrant, School of Life Sciences

Dr Y Mbaki, School of Life Sciences

Dr M Bains, School of Medicine (Epidemiology & Public Health)

Dr F Gavin, School of Medicine (Psychiatry & Applied Psychology)

Dr J Hassard, School of Medicine (Psychiatry & Applied Psychology)

Dr R Rahman, School of Medicine (Child Health, Obstetrics & Gynaecology)

Dr J Ramage, School of Medicine (Cancer & Stem Cells)

Dr L Thomson, School of Medicine (Psychiatry & Applied Psychology)

Dr R Atterbury, School of Veterinary Medicine & Science

Dr T Dottorini, School of Veterinary Medicine & Science

Dr S Egan, School of Veterinary Medicine & Science

Dr V James, School of Veterinary Medicine & Science

Dr R Payne, School of Veterinary Medicine & Science

Mr J Remnant, School of Veterinary Medicine & Science

Dr A Bishopp, School of Biosciences (Plant & Crop Sciences)

Dr B Lomax, School of Biosciences (Agricultural & Environmental Sciences)

Dr A Bertram, School of Chemistry

Dr K Galloway, School of Chemistry

Dr V Vandeginste, School of Chemistry

Dr I Triguero Velazquez, School of Computer Science

Dr G Gradoni, School of Mathematical Sciences and Department of Electrical & Electronic Engineering

Dr M Iglesias Hernandez, School of Mathematical Sciences

Dr K van der Zee, School of Mathematical Sciences

Dr J Dixon, School of Pharmacy

Dr I Dreveny, School of Pharmacy
Dr C Jopling, School of Pharmacy
Dr D Kim, School of Pharmacy
Dr M Zelzer, School of Pharmacy
Dr R Hill, School of Physics & Astronomy
Dr W Li, School of Physics & Astronomy
Dr Y Mao, School of Physics & Astronomy
Dr R Bonfatti, School of Economics
Dr M Garcia-Vega, School of Economics
Dr M Rubio, School of Economics
Dr L Hagger-Vaughan, School of Education
Dr C Cercel, School of Law
Dr K Ferris, Nottingham University Business School
Dr E Nixon, Nottingham University Business School
Dr D Pero, Nottingham University Business School
Dr P Eadie, School of Politics and International Relations
Dr A Fulda, School of Politics and International Relations
Dr G Khan, School of Politics and International Relations
Dr S Trumm, School of Politics and International Relations
Dr C Chau, School of Sociology & Social Policy
Dr A D'Angelo, School of Sociology & Social Policy
Dr M Jordan, School of Sociology & Social Policy

Promotions to Principal Research Fellow

Dr M Craven, Faculty of Engineering
Dr D Gerada, Faculty of Engineering
Dr I Bogdanovica, School of Medicine (Epidemiology & Public Health)
Dr P Wadley, School of Physics & Astronomy

Promotion to Assistant Professor

Mrs L Augé-Smith, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Mrs M Minoia, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Mrs L Sawyer-Da Rocha, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr L Todd, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Ms S Xu, School of Cultures, Languages & Area Studies (Modern Languages & Cultures)

Dr P Szudarski, School of English

Dr N Wilshere, School of Humanities (Classics & Archaeology)

Mr J Turner, Department of Foundation Engineering & Physical Sciences

Mrs K Midgley, School of Health Sciences (Nursing)

Mr M Pearson, School of Health Sciences (Nursing)

Mrs K Simpson, School of Health Sciences (Nursing)

Mrs V Wilson, School of Health Sciences (Nursing)

Dr A Bowden, School of Veterinary Medicine & Science

Mrs A Garcia-Ara, School of Veterinary Medicine & Science

Dr A Redpath, School of Veterinary Medicine & Science

Mrs J Tomlinson, School of Veterinary Medicine & Science

Mrs S Ellis, School of Biosciences (Food, Nutrition & Dietetics)

Dr J Jia, School of Biosciences (Food, Nutrition & Dietetics)

Dr O Siles Brugge, School of Chemistry

Dr B Villa Marcos, School of Chemistry

Dr R Rickaby, School of Pharmacy

Dr J Shaw, School of Pharmacy

Revd Dr R McKenzie, Nottingham University Business School

Ms L Bradford, School of Sociology & Social Policy

Dr E Genova, School of Sociology & Social Policy

Promotion to Senior Research Fellow

Dr S Chen, Faculty of Engineering

Dr S Sumsurooah, Faculty of Engineering

Dr L Lansbury, School of Medicine (Epidemiology & Public Health)

Dr M Portelli, School of Medicine (Respiratory Medicine)

Promotion to Research Fellow

Dr N Abrehart, School of Medicine (Nottingham Digestive Diseases Centre)

Miss S Patel, School of Medicine (CLAHRC)
